Dear Minister Canavan

I write following advice from the Premier of Queensland to the Prime Minister of Australia regarding the Queensland Government's position on Adani's application to the Northern Australia Infrastructure Facility for the North Galilee Basin Rail Project.

In accordance with Section 13(4) of the Northern Australia Infrastructure Facility Investment Mandate Direction 2016 (the Mandate), the State of Queensland provides formal notification to the Commonwealth that financial assistance should not be provided to Adani for the North Galilee Basin Rail Project. Under the Mandate, an application will not progress following such notification.

Furthermore, I have also provided a copy of this notification to the Chairperson of the Northern Australia Infrastructure Facility, as per the tripartite Master Facility Agreement.

If you require further information, your officers can contact Mr Matthew Collins, Chief of Staff of my office on (07) 3719 7100.

Yours sincerely

HON. JACKIE TRAD MP
